Rest assured that even in these unpredictable times we'll "hold the line" as long as possible. We offer **FREE FREIGHT** on orders over $150 (except for large orders that exceed 100 lbs. and items shipped by truck). This Free Freight offer is good for UPS Value Method to the 48 contiguous states. We can always ship by air when you need your stuff fast. Please call for charges. Though it doesn't speed up travel time, a **$6.99 Rush** fee will guarantee that your order leaves our warehouse the same day if we have it by 12:00 P.M. eastern time. **NOTE:** If your package weighs less than 15lbs. (excluding sheet paper, Gatorboard, portfolios, Perfect Show systems, individual canvas, canvas rolls or long canvas, print racks, some easels, most furniture & projectors) we can ship 2 Day Air Service for an extra $12.99 to the 48 contiguous states. WHAT ABOUT SALES TAX? Sales tax will be collected based on origin and destination of your order. In addition, Sales tax may be collected on drop/truck ship items based on the origin facility and destination of your shipment. New tax laws require us to collect State, County and/or City taxes where applicable. For more info, please visit www.cheapjoes.com/customer-service/sales-tax

RUSH SHIPPING OPTIONS For an additional $6.99 you may want to consider adding a "RUSH" to your order. This will move your order to the head of the line, making sure that it leaves our warehouse the same business day. In order to make this happen we will have to receive your order no later than 12:00 PM eastern time. If your order is received after that time your RUSH will ensure that your order leaves on the following business day. A RUSH will not affect the delivery or travel time of your order, it is just to prioritize your order's movement within our warehouse.

Thank you for your order! We appreciate your business.
