

NOTE: (Place Washers under each tightening point such as Knob, Wingnuts and Handle Nuts.)

- ① Attach Knob to opposite side of Easel.
- ② Attach Canvas Holder Assembly to Easel Base using Fully Threaded Carriage Bolts and Handle Nuts. Note: Handle Nuts should be positioned on outside of Easel.
- ③ Affix Sliding Support Arm with Partially Threaded Carriage Bolts and Wing Nuts. NOTE: Affix first at the pivoting point on back side of Canvas Holder Assembly and then the sliding portion to Easel Base.
