- Made with highest quality professional artist pigments
- Completely dispersible in water
- Lightfast
- Mixable with standard watercolor
- 48 vibrant colors
- Made in the USA

Store in a cool dry place!

When American Journey™ was born, there were just 49 colors. With suggestions from many professional artists it has expanded to a range of noteworthy size. We take pride in that, and today American Journey™ is now used regularly by thousands of professional artists. They're also the only brand we're aware of that carries with it a 100% satisfaction guarantee — which means, if you're not happy with the quality of our pigment you may return them within 365 days.

American Journey™ Voyager Sets
available in 6, 12, 18 & 24 (6 & 18 Set shown)

Today, American Journey™ has expanded to a range of 113 colors including 11 iridescent colors, a plethora of Voyager travel pan sets, a complementary range of soluble watercolor crayons, a number of value sets, and sample sets for artists' looking for a great deal. Buy them all exclusively at:
